## PETRO-PASS FUELLING INSTRUCTIONS

**Follow instructions on display screen. Be sure that the pump you wish to use is not being used.**

1. Insert and remove card in one smooth motion in the appropriate card slot. You should hear a beep to indicate valid reading of card.
2. Enter security number and remember to protect your PIN. Press “ENTER.
3. Enter odometer reading (optional). Press “ENTER”.
4. Enter miscellaneous number (optional). Press “ENTER”.
5. Enter desired pump number. Press “ENTER”.
6. Use pump selected, within one minute, to begin filling your vehicle. **DO NOT LEAVE PUMP UNATTENDED.**
7. After fuelling, please turn pump to off position to stop transaction.
8. To obtain a receipt, re-insert card into any card reader on site and remove. Press “YES” to begin receipt printing.

**If you have any questions or problems, please contact the Petro-Pass operator, or call the Petro-Canada Customer Service Line at 1-800-668-0220.**

## SAFETY MEASURES

**PROPER TRAINING FOR THE SAFE AND CORRECT USE OF THE PETRO-PASS FACILITY AND EQUIPMENT IS THE RESPONSIBILITY OF EACH CARDHOLDER.**

**TRAINING IS AVAILABLE FROM ANY PETRO-PASS OPERATOR.**

- NO SMOKING.
- Turn off engine and all auxiliaries whether refuelling, waiting or parking.
- DO NOT LEAVE VEHICLE UNATTENDED WHILE FUELLING.
- Fill only CSA or ULC approved containers.
- **ANY SPILL MUST BE REPORTED TO THE SITE OPERATOR. DURING UNATTENDED HOURS, CALL THE EMERGENCY NUMBER POSTED AT THE LOCATION.**
- In order to reduce pollution and minimize noise which affects our neighbours, please do not leave your truck idling when parked.

## EMERGENCY PROCEDURES

### **IN THE EVENT OF A SPILL: DO NOT TAKE PERSONAL RISKS.**

- Stop product flow/press emergency shut-off switch.
- Do not start or move your vehicle
- Report spill by calling the emergency number posted.
- Use absorbent material to contain spill.

### **IN THE EVENT OF FIRE: DO NOT TAKE PERSONAL RISKS.**

- **Get away from area.**
- Stop product flow/press emergency shut-off switch.
- Use emergency number posted to report emergency.

The following emergency equipment has been installed at each site, and signs have been posted to indicate where to find this equipment. Please note the location of this equipment before you begin fuelling.

- **FIRE EXTINGUISHERS.** Many fire extinguishers are available on site, always familiarize yourself with the one nearest you.
- **EMERGENCY SHUT-OFF BUTTON.** Location of the shut-off button is usually on the building and identified with a sign. Some sites also have a second shut-off button located in the vicinity of the fuel island. This button will shut down the entire system.
- **PAY TELEPHONE.** Available at most sites. If not, look for sign directing you to the nearest emergency telephone. No coins are needed to place emergency calls to the operator.
- **EMERGENCY PHONE NUMBERS.** Clearly posted and identified at each site. Call these numbers if you need assistance or to report any problems.

## SECURITY

- Always keep your PIN confidential.
- Do not write your PIN on your card.
- Do not keep a written record of your PIN in your wallet or truck.
- **Under the terms of the SuperPass Agreement, cardholders are responsible for all purchases made on their card.**

## PETRO-PASS PARKING GUIDELINES

- Parking is for Petro-Pass customers ONLY (proof of purchase may be requested).
- Park only in designated areas (varies by site).
- Do not exceed posted time limits for parking (if applicable).
- Do not leave vehicles unattended.
- No dropping trailers.
- Failure to comply with the Petro-Pass Parking Policy may result in the vehicle being ticketed and/or towed at the owner's expense.

## PETRO-PASS SITES WITH DIESEL EXHAUST FLUID

- Bulk Diesel Exhaust Fluid (DEF) is now available at a growing number of Petro-Pass locations.
- Jugs of DEF are also available for sale during attended hours at all Petro-Pass locations with a convenience store.

## PETRO-PASS SITES WITH SHOWERS

- Petro-Canada™ is pleased to offer Petro-Pass customers a free shower with a minimum fuel purchase of 200 litres. This offer applies to single drivers and double team drivers.
- Fuel purchase must have been made within the last 24 hours – anywhere in the Petro-Pass network. *Fuel receipt must be presented to the site operator.*
- At some sites a shower kit and towel rental is available at a nominal cost.
- A fee (plus shower kit/towel rental charge where applicable) will apply to drivers who do not meet the minimum fuel purchase requirements.

# PETRO-PASS

## PETRO-PASS™ OFFERS THE LARGEST BULK DEF NETWORK IN CANADA!

With Bulk DEF available coast-to-coast, Petro-Pass is committed to making your life easier on the road.

### Advantages of Bulk DEF:

With an average truck requirement of 1,800 litres of DEF per year, Petro-Pass' Bulk DEF network offers you and your business:

- **Efficiency** – fill up with DEF at the same time as you fuel
- **Flexibility** – purchase DEF at-the-pump or in jugs
- **Reliability** – obtain Bulk DEF whenever you need it
- **Convenience** – access the largest Bulk DEF network in Canada

### Stay connected with our growing Bulk DEF Network:

- Access our Bulk DEF site listing at [petro-canada.ca/DEF](http://petro-canada.ca/DEF)
- Find a Bulk DEF location near you at [petro-canada.ca/findpetropass](http://petro-canada.ca/findpetropass)

Look for the DEF symbol inside to find  
Petro-Pass locations offering Bulk DEF

# *SuperPass*<sup>™</sup> Online Fleet information at the speed of business.

Day in and day out, *SuperPass*<sup>™</sup> puts valuable information at your fingertips. The kind of information that leads to better decisions for the future, and more control over costs that impact your bottom line.

- Real-time tracking • 24-hour online access • PIN-protected security
- Detailed purchase restrictions • Customizable reports
- Canada's largest network of fuelling stations

To sign up for your *SuperPass* Online account or for more information, call our Customer Service team at **1-800-668-0220** or visit **[www.spol.ca](http://www.spol.ca)**

# Petro-Canada Lubricants & Greases.

## Helping you take your fleet beyond today's standards.

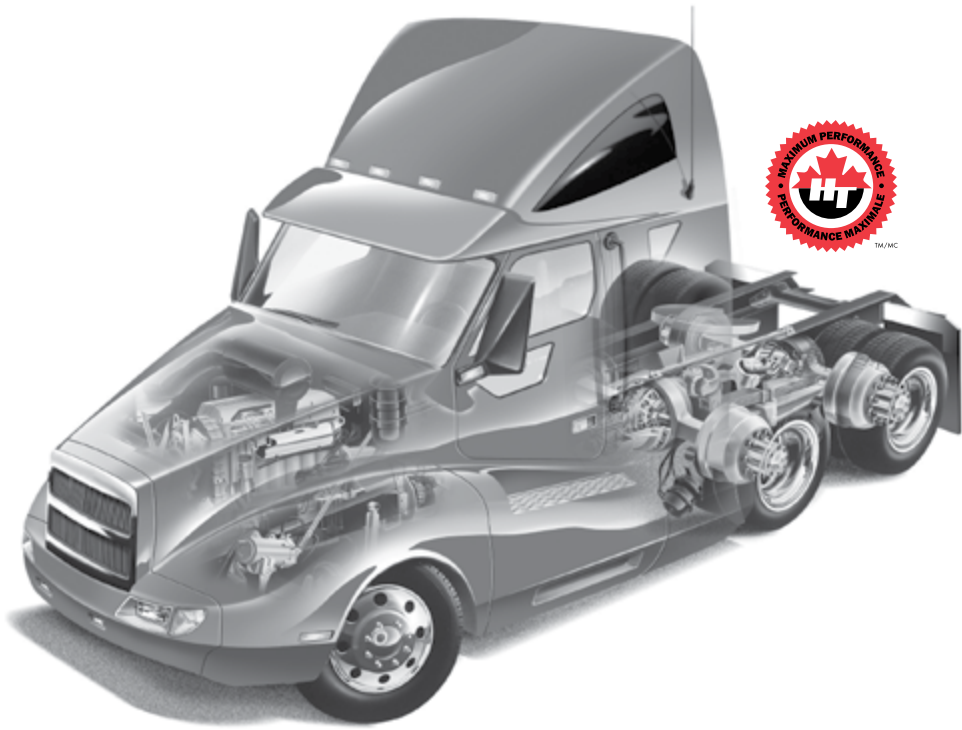

When you choose Petro-Canada, you're gaining more than 30 years of experience in producing superior performing lubricants that save customers money. We start by using the HT Purity Process to remove performance-hindering impurities found in many conventional products.

The result is 99.9% pure base oils – among the purest in the world.

Combine our crystal-clear base oils with our formulation expertise and the result is a wide range of high-performance lubricants, specialty fluids and greases that out perform the competition and go beyond today's standards.

## Start Pure. Finish Strong.

**What You Get  
Out of Your Rig  
Depends On  
What You Put  
Into It.**

## DURON™ -E PRODUCTS

DURON-E is a complete line of API CJ-4 licensed, EPA 2010 low emission engine compliant heavy duty engine oils. Fleet managers who are rightfully concerned with the potential for increased lubricant inventories will be pleased to discover that DURON-E offers fleets a one product solution for both current and pre '07 engines. DURON-E delivers the extended drain potential that fleets have come to count on, while being Diesel Particulate Filter (DPF) and Selective Catalytic Reduction (SCR) friendly. Available in conventional, synthetic blend and full synthetic formulations to meet the diverse needs of our customers. DURON-E - The right oil for today's engines... and tomorrow's.

DURON-E SYNTHETIC 10W-40 can extend drain intervals and has potential to improve fuel economy. It has better low temperature properties, which reduces the need for low temperature idling, industry leading soot control which prevents oil thickening, ability to keep engines clean for optimal efficiencies and lower viscous drag in engines that are not fully warmed up. DURON-E Synthetic 10W-40 can help your engines run smoother, cleaner and longer.

DURON-E XL SYNTHETIC BLEND 15W-40, made with a synthetic base oil blend and high performance additives, raises the stakes by delivering exceptional soot control, cold start-up performance and reduces the need for top-up oil. It also protects vital engine parts with the potential for extending drain intervals.

DURON-E 15W-40 offers advanced soot control capabilities. It also demonstrates good cold start-up performance, minimizes engine wear and oil consumption. Choose DURON E 15W-40 when you need dependable API CJ-4 performance in your low emission or legacy engines.

DURON-E 10W-30 offers advanced soot control capabilities, demonstrates good cold startup performance with the potential to improve fuel economy up to 1% relative to DURON-E 15W-40 while minimizing engine wear and oil consumption.

**TRAXON™ GEAR OIL** – Petro-Canada's premium line of multi-grade gear oils is formulated to resist degradation and help provide excellent wear protection, reducing downtime and maintenance costs. TRAXON Synthetic 75W-90 surpasses industry specifications and helps resist shearing better than the leading competitor. TRAXON E Synthetic is an excellent product for customers who need to maintain an Eaton Roadranger/ArvinMeritor "extended warranty". TRAXON provides exceptional wear protection for increased productivity, profits and peace-of-mind.

**PRECISION™ GREASES** – A premium line of multi-application greases specially formulated to help deliver exceptional protection with 1) improved resistance to water washout, 2) longer life under extreme conditions and 3) excellent resistance to shearing. PRECISION XL EP1 and EP2 as well as PRECISION Synthetic meet the NLGI GC-LB rating for wheel bearing and chassis lubrication.

## PETRO-CANADA HEAVY DUTY SYNTHETIC BLEND AUTOMATIC TRANSMISSION FLUID (ATF)

– PETRO-CANADA HEAVY DUTY SYNTHETIC BLEND ATF fluid excels in thermal and oxidation stability, low & high temperature fluidity and helps reduce wear. It is specially formulated for commercial and heavy duty transmissions. Approved For: Voith (Voith G1363) and ZF (ZF TE-ML 02F, 03D, 04D, 14B, 16L AND 17C) extended drain applications and Allison C-4. Suitable for use where Allison TES-295, Caterpillar TO-2, MB 236, MAN 339, Volvo 97341 or MERCON®-V is recommended.

## HYDREX™ HYDRAULIC FLUID

– This line of advanced hydraulic fluids not only lasts up to three times longer than the leading global competitor, it also provides up to twice the wear protection. HYDREX helps protect equipment for the long haul, increasing productivity, and lowering maintenance costs.

# Protecting Your Business. Driving Your Profitability.

## **Your truck travels a long, hard road.**

In the summer, it's hours of scorching heat and dust. In winter, freezing rain, snow and ice. Stop-and-go traffic year round. You need premium lubricants to keep your vehicles on the road instead of in the shop. The lubricants you choose can help make the difference between a successful run and costly downtime. That's why so many fleet managers have turned to Petro-Canada for our high performance solutions to help boost their productivity and help lower their operating costs. What's more, our highly advanced lubricants help you get the most from your new vehicles and also help extend the productive life of older equipment.

## **Formulated for the toughest working conditions.**

Our lubricants meet or exceed truck manufacturers' specifications and your customers' quality standards. We are the first lubricants company in the world to achieve ISO/TS 16949, which replaced QS9000. We are also ISO 9001 registered. And with our ISO 14001 registration, we share the same growing commitment to the environment as you do. Many of the world's leading auto manufacturers rely on Petro-Canada for their equipment's first fill or service fill requirements.

# Save Like Our Customers.

Read how fleets like yours have saved money, and increased their productivity and profits by switching to DURON™. Buy now. Save sooner.

## Bison Transport

“Our entire fleet of over 1000 units travels throughout North America running on DURON-E Synthetic 10W-40. We experienced outstanding performance and reliability on the road – it’s a great all-weather solution.”

## Midwest Motor Express

“Midwest Motor Express realized \$83,900 per year in savings since the switch to DURON-E.”

The Switch Is On To DURON™-E

# DURON™-E. Heavy Duty Protection for Your Rig and Your Wallet.

DURON-E is formulated to meet the challenges of current low emission engines (API CJ-4/SM) including the 2010 EPA standards, as well as being suitable for use in pre-'07 engines.

## DURON™-E Improved Performance Envelope Helps You:

- ◆ Extend DPF life to enhance fuel economy
- ◆ Stays in grade longer to protect engine
- ◆ Reduces corrosion particularly in idle equipment
- ◆ Extends drain intervals and maintains low temperature performance
- ◆ Advanced soot control to lessen oil thickening and engine wear
- ◆ Extends engine life
- ◆ Maintains power and fuel efficiency
- ◆ Reduces need for top-ups

## DURON™-E Synthetic 10W-40

DURON-E SYNTHETIC 10W-40 can extend drain intervals and has potential to improve fuel economy. It has better low temperature properties, which reduces the need for idling, industry leading soot control which prevents oil thickening, ability to keep engines clean for optimal efficiencies and lower viscous drag in engines that are not fully warmed up. DURON-E Synthetic 10W-40 can help your engines run smoother, cleaner and longer.

## DURON™-E XL Synthetic Blend 15W-40

DURON-E XL SYNTHETIC BLEND 15W-40, made with a synthetic base oil blend and high performance additives, raises the stakes by delivering exceptional soot control, cold start-up performance and reduces the need for top-up oil. It also protects vital engine parts with the potential for extending drain intervals.

## DURON™-E 15W-40

DURON-E 15W-40 offers advanced soot control capabilities. It also demonstrates good cold start-up performance, minimizes engine wear and oil consumption. Choose DURON E 15W-40 when you need dependable API CJ-4 performance in your low emission or legacy engines.

## DURON™-E 10W-30

DURON-E 10W-30 offers advanced soot control capabilities, demonstrates good cold startup performance with the potential to improve fuel economy up to 1% relative to DURON-E 15W-40 while minimizing engine wear and oil consumption.

# Turn Your Rig Into A Smooth-Running, Money-Making Machine.

## PRECISION™ Greases

No matter what the application or operating condition, we have a high performance PRECISION grease for the job. PRECISION greases are premium performance, long life, multi-application greases formulated to help reduce operating costs and provide long service protection over a wide range of operating temperatures. The result is reduced re-greasing frequencies, therefore lower maintenance costs and extended equipment life.

- **Longer Life** – Longer equipment life under a wide range of temperatures and operating conditions.
- **Better Water Washout Protection** – Effective resistance to washout, requiring less re-greasing in wet environments.
- **High Mechanical Stability** – Resists shearing and product breakdown in severe operating conditions, providing extended service life for customers.

**PRECISION XL EP1 and EP2 as well as PRECISION Synthetic meet NLGI Automotive Service Classification GC-LB for wheel bearing and chassis lubrication.**

## TRAXON™ Gear Oil

Petro-Canada's TRAXON premium multigrade line of gear oils are specially formulated to help provide excellent shear stability and longer oil life for exceptional long-lasting protection to help you extend equipment life and reduce downtime and maintenance costs.

**TRAXON E Synthetic** – A premium line of synthetic lubricants formulated for customers who need to maintain an Eaton/Roadranger “extended warranty”.

**TRAXON Synthetic 75W-90** – A year-round full synthetic gear oil formulated to help provide extended drain capabilities and outstanding temperature protection in extreme cold weather conditions.

**TRAXON XL Synthetic Blend** – These multigrade gear oils provide excellent low temperature protection, better shear stability and longer oil life for exceptional long-lasting protection.

**Your Ultimate Protection Plan.**

## Heavy Duty Automatic Transmission Fluids

Petro-Canada is a leading producer of the world's most advanced Automatic Transmission Fluids (ATFs). Petro-Canada's ATFs excel in oxidation stability, low-temperature fluidity and wear protection to deliver the performance you require and the increased productivity you want.

### Petro-Canada Heavy Duty Synthetic Blend ATF

Suitable for use in heavy duty fleets for up to 50,000 miles in severe service and 100,000 miles in normal service. **Approved for Voith (Voith G1363) and ZF (ZF TE-ML 02F, 03D, 04D, 14B, 16L AND 17C) extended drain applications and Allison C-4. Carries 72,000 mile extended drain approval by Voith Turbo as per Voith Service Bulletins DSB013 and DSB118.** Fully qualified for use in transmissions where a fluid meeting the former DEXRON®-III(H), -III(G), -II(E) specification is recommended. Also suitable for use where Allison TES-295, Caterpillar TO-2, MB 236, MAN 339, Volvo 97341 or MERCON®-V is recommended.

## HYDREX™ & ENVIRON™ Hydraulic Fluids

Petro-Canada's HYDREX hydraulic fluids are engineered to resist thermal and oxidative breakdown, provide extended drain intervals, and operate in wide temperature ranges. Its advanced formula lasts up to three times longer\*\* and has up to two times better wear protection\*\*\*\* than the leading global hydraulic oil brand. HYDREX maintains its "fresh oil" properties longer, and helps minimize harmful sludge and varnish deposits. This leads to fewer change-outs, less equipment wear, lower maintenance costs and more uptime to keep equipment running longer and harder. For operations in environmentally-sensitive areas, Petro-Canada's ENVIRON line of high-performance fluids is non-toxic, inherently biodegradable and recyclable. It helps provide long-lasting fluid life\*\*, longer than competitive conventional metal based and most vegetable-based hydraulic oils\*\*\*. ENVIRON helps maintain excellent anti-wear, rust and corrosion protection to meet the demands of today's operations.

# SOOT IS WRECKING YOUR ENGINE

**FIGHT ENGINE WEAR.  
ARM YOURSELF WITH DURON.**

DURON™-E – the leading soot-fighting formula in the industry. It seeks out soot particles and isolates them before they can join forces. And if they can't cluster, your engine is defended from damage.

Today's operating conditions can produce and retain more soot than ever before. But DURON-E, formulated with 99.9% pure base oils, is engineered to go above and beyond the call of duty.

It's proven to handle up to 2x more soot\* while maintaining its viscosity; protecting engines from wear, extending drain intervals, maintaining peak fuel economy, and reducing maintenance costs for fleets – even in the heaviest soot conditions.

That keeps costs down over the long haul and extends the life of your engines. **Get the most from your fleet. Learn more at [fightsoot.com](http://fightsoot.com)**

**DURON. Fight Soot. Save Money.**

\*Based on MACK T-11 Enhanced Soot Control Test results. DURON-E Synthetic 10W-40 performed 2.2x better than CJ-4 requirement, while maintaining viscosity level.

saving  
money  
on **fuel**  
costs with  
natural  
gas

Now  
get the  
**savings**  
of 1200  
hr. drain  
intervals

**Introducing DURON™ GEO LD 15W-40 for CNG/LNG mobile engines.**

The proven technology in the newest member of the DURON family of engine oils can **extend your drain intervals\* up to 1200 hours**, while maintaining exceptional engine protection and stay-in-grade capability. Specially formulated for the high combustion temperatures in today's natural gas mobile engines, DURON GEO LD 15W-40 meets and exceeds the highest OEM standards – including **Cummins CES 20074** and **Detroit Diesel DD 93K216** approvals.

*Everything you need in your oil for everything you expect from your engines.*

Learn all about it at [DuronGEO.com](http://DuronGEO.com)

\* Extending drain intervals should always be undertaken in conjunction with a regular oil analysis program.

Beyond today's standards.

# Fuelling Your Business

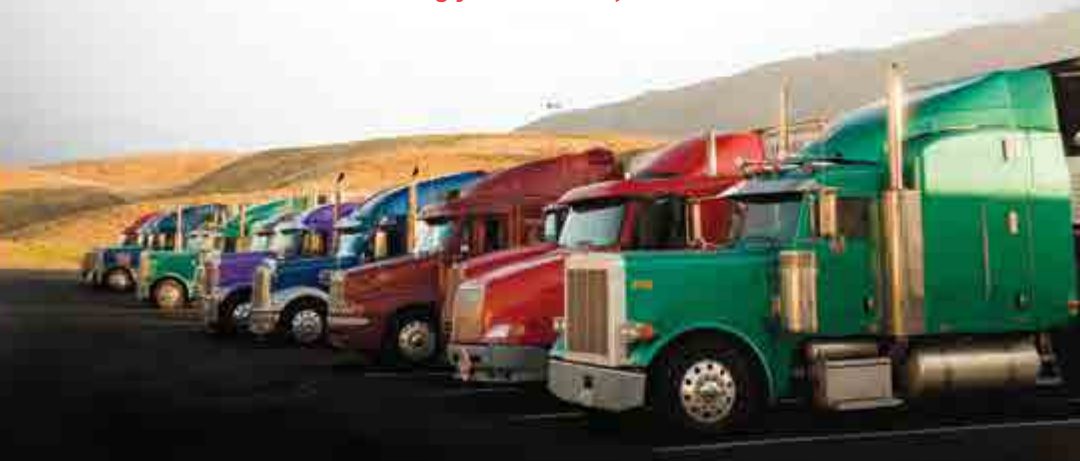

**Petro-Canada** delivers fuel whenever your vehicles are parked through our convenient On-Site Refuelling service. And convenience is just the beginning.

**On-Site Refuelling can save you money.** You don't pay drivers' wages while they're waiting to fill up and because there's no need to refuel at the start or end of a shift, On-Site Refuelling can turn downtime into uptime, make ontime regular and overtime rare.

**On-Site Refuelling can save you time.** Every delivery to your yard is automatically uploaded to the web for access and reporting by your manager, 24/7.

**Petro-Canada meets all your fuel needs.** Whether it's our nationwide network of Petro-Pass locations, bulk fuel delivery, the SuperPass fuel management program or high quality lubricants, you can rely on Petro-Canada. On-Site Refuelling is one more component of our integrated services.

**When it comes to fuelling your business, Petro-Canada delivers.**
